

## Financial Assistance to the 1999 CEA Meetings in Toronto

Currently there are no SSHRC funds available for travel assistance to the 1999 CEA Meetings. This may change in the next two months. The CEA will use its own funds to provide support to some members giving papers. This support will be quite limited if SSHRC does not provide any funding.

*Eligibility for a travel grant requires being a currently (1998) paid-up member of the Canadian Economics Association.* Assistance will not be provided unless the application is supported by a signed statement from an appropriate person (e.g. department chair) indicating that travel funds are not available from the member's "employer".

You can download the travel grant included here. Send the completed grant application to me by fax or mail.

*On April 1st*, I shall take all travel grant applications I have received, and I shall provide assistance to persons giving papers: of those giving papers, first priority will go to graduate students; second to junior faculty; and third to senior faculty. Individuals will be notified by e-mail and by mail. Successful applicants will receive payment after the Meetings. **Be sure to provide accurate e-mail and mailing addresses!**

If you have any questions, contact me at [denny@chass.utoronto.ca](mailto:denny@chass.utoronto.ca) or by fax at 416-978-6713.

Sincerely,

Michael Denny, Secretary-Treasurer, CEA
